

NATIONAL SHEEP ASSOCIATION CORPORATE SUPPORT PACKAGES

NSA is the voice of the UK sheep industry. We work tirelessly to represent the views and concerns of those in the sector and campaign for a sustainable industry for the future. We are also a trusted source of information for everyone working with sheep.

NSA relies on membership fees from individuals who share our passion for sheep farming and want to support and underpin NSA's unique and dedicated work.

Corporate Support from companies and organisations is also a vital income stream, helping to facilitate our vital work to maintain a vibrant, modern and profitable sheep sector.

Mutually beneficial packages have created strong relationships between NSA and our existing Corporate Supporters. We feel these packages provide a great opportunity and are delighted to offer you the opportunity to become one of a growing group who chose to work in partnership with the only dedicated voice working on behalf of the UK sheep industry.
