NSA Sheep Event 2014 Sheepdog Sale Report

A top price of 2,200gns for a registered two-year-old bitch from John Porter, Leicestershire, led the prices at the biennial dog sale held as part of the NSA Sheep 2014 Event. Described as a good all round farm bitch, she found a new home with Tony Rofe, Devon.

Next best at 2,100gns was a five-year-old registered dog from R.

Owen, Llandrindod Wells. This powerful hill dog created a lot of interest and spirited bidding before being purchased by J.A. Wakeley, Somerset. Mr Owen also sold a registered bitch at 1,750 gns to D Mellor, Derbyshire.

A large crowd of followers and purchasers from throughout England and Wales resulted in a strong interest in the younger part-trained dogs. Leading this trade at 950gns was regular seller Alan Scadden with a 13-month-old registered bitch going to A. Griffiths, Gloucester. At the same money was a 12-month registered bitch from P. Blain, Gwynedd, and at 850gns young handler Ross Games sold a nine-month-old registered bitch.

21 dogs changed hands to average £1265.
