WEST WALES

Mr. M Gough, Clee, Tomkinson & Francis, Kings Road, Llandovery

NOTES TO PURCHASERS AND VENDORS

In the interest of the smooth running of the event, kindly observe instructions from the Ram Sale stewards and follow directional signs as appropriate.

1. The Wales & Border Ram Sales are organised by the Wales & Border Ram Sale Committee, hereinafter referred to as the Committee.
2. All sheep to be penned by 8.00am on the morning of the sale, unless breed Society rules deem otherwise.
3. Vendors have the authority to prevent any individual (including potential purchasers) from subjecting their sheep to what in the vendors opinion would be an unacceptable physical examination.
4. Selling will commence promptly at the time fixed by the Committee.
5. All sheep are sold subject to the usual Auctioneers conditions and to the Ram Sale Bye-Laws.
6. PLEASE NOTE: IF THERE IS A CHANCE THE VENDOR OR VENDOR'S AGENT WILL NOT BE PRESENT AT THE TIME OF THE SALE, A RESERVE PRICE MUST BE LODGED WITH THE AUCTIONEER OR HIS REPRESENTATIVE, BEFORE THE COMMENCEMENT OF THE SALE
7. A double auctioneers slip will be handed to the purchaser, upon completion one portion must be handed to the vendor, the other portion retained to show at the exit stage.
8. All vendors shall be responsible for their sheep until 1 hour after the close of sale in the ring in which they were sold, or until the sheep have been handed over to the purchaser to the satisfaction of the vendor, whichever is the sooner. IF PURCHASERS HAVE NOT CLAIMED SHEEP BY THE ABOVE TIMES, VENDORS MUST INFORM EITHER THE AUCTIONEER OR THE RAM SALE OFFICIALS.

RAM SALE BYE LAWS

9. All sheep will be sold subject to an inspection. Inspectors will be appointed either by the Committee or by the relevant breed society This inspection is of a physical nature and must not be construed as being of a veterinary nature..
Vendors should note that any entries which on inspection are found showing lesions suggestive of Caseous Lymphadenitis (CLA) will not be allowed forward for sale and the whole consignment from that vendor may be removed from the sale pens immediately.

Fertility cannot be covered by inspection. It is the responsibility of the vendors to ensure that sheep presented for sale will meet the standard set out below

- 9.1. Not lame and apparently free from all obvious signs of contagious or infectious diseases, e.g. white discharge from the nose or eyes, skin diseases.
- 9.2. Not of sub-standard conformation and presented in good condition according to that breed.
- 9.3. **MOUTH**

No sheep to be presented for sale with more than 6 broad teeth, except in Society Sales

The teeth should be touching the digital pad in such a way as to give an effective bite at the tip of the teeth.

The Committee accepts a variable standard. It is up to the purchasers to satisfy themselves that the sheep they buy are of the standard they require.

RAMS - Testicles:

The testicles should be more or less the same size

Testicular size should be appropriate for the age and

breed of the ram

The testicles should be fully descended into the scrotum

The testicles should be free from palpable lumps/swellings

9.4 EWES

Females must be correct in mouth and udder .

Complaints under 9.1 must be notified within 48 hours; Complaints under 9.3 must be notified within 7 days. All complaints must be accompanied by a veterinary certificate, and be addressed to either the Ram Sale Committee Director, the Chairman, or the Auctioneer.

THE FINAL ONUS REMAINS WITH THE PURCHASER EVEN THOUGH CARE IS TAKEN AND THE ASSOCIATION WILL DO ITS UTMOST TO CHECK EVERY ANIMAL FOR DEFECTS.

IT IS UP TO THE PURCHASERS TO SATISFY THEMSELVES THAT THE SHEEP THEY BUY ARE OF THE STANDARD THEY REQUIRE

10. NO COMPLAINT OF WHATEVER NATURE WILL BE CONSIDERED AFTER 1ST NOVEMBER, 2017. *The purchaser shall have no rights to claim damages from the vendor, in respect of indirect or consequential loss such as (but not limited to) loss of profit or any other loss whatsoever.*
11. All sheep rejected by the panel may be marked with a purple stripe down the back and are excluded from the sale. Rejected sheep must be removed from the sale pens.
12. Each lot of sheep shall be sold in the ring fixed by the Committee, and in order of ballot, and in that ring only, and the Auctioneer responsible for such a lot and the vendor thereof shall be bound to see that the rule is carried out.
13. Each entry must be in the sale pen in the section to which it belongs as the last sheep of the preceding lot shall have been disposed. Any lots that may not be ready in the sale pens when their turn for selling arrives, will not be allowed to come forward until the others in that section have been disposed of.
14. All entries must be identified by their catalogue number by means of a clearly marked paint brand on the back or face, unless otherwise agreed with the relevant breed society. No animal shall be allowed into the sale ring unless its catalogue number is clearly visible.
Unsold sheep may be re-offered at the discretion of the Committee. This applies only to the first 20 sheep or the first two vendors, whichever is the greater, and they can only be re-offered at the end of the sale in that ring and not at the end of an auctioneers run. The exception to this rule is where there are mixed breeds and then it must be at the end of that particular breed. No sheep shall be sold on the Showground by Private Treaty other than those which have been offered for sale in the ring. All sheep sold by Private Treaty after leaving the ring must be booked through the Auctioneer and the appropriate commission paid.

MAEDI VISNA ACCREDITATION

15. Vendors of sheep in the MV Accredited Scheme are asked to strictly comply with the rules set out by the SAC Sheep & Goat Health Scheme
 - 15.1. All sheep must be accompanied by a SAC valid certificate of accreditation.
 - 15.2. No sheep shall be accepted into the MV section of the sale without a valid SAC certificate
 - 15.3. Care must be taken by the Vendor and Purchaser not to infringe the MV Rules and Regulations. Whilst every care will be taken by the Ram Sale Committee and the

Auctioneers, they cannot take responsibility for any infringement, carelessness or consequences therefrom.

16. It is recommended that sheep are treated with a scab approved product at least two weeks prior to the sale & it is hoped that all sheep have been vaccinated against BTV.
17. To comply with the Wales & Border Ram Sale regulations:-
 - 17.1. The use of any substance containing toxic chemicals including sheep dips to prepare sheep for showing/sale, whilst on the sale site is forbidden
 - 17.2. The use of any type of spray equipment on the sale site is also forbidden
 - 17.3. Water may only be used to brush down sheep where necessary.
 - 17.4. The Ram Sale Committee reserve the right to make any checks that it feels necessary
18. Any party infringing these rules shall be liable to a penalty determined by the Committee and any loss or damage which may be sustained and furthermore the Committee are empowered to refuse entries from any vendor infringing these rules. Notwithstanding the above the Committee reserves the right in very exceptional circumstances to reposition vendors wrongly catalogued.
19. **The Committee's decision is final.**
In the event of a problem arising or for further information please contact:
Mrs. Jane S Smith (Exec. Director) 01291 673939

**N.B. NSA MAIN RAM SALE - 25th SEPTEMBER -
Entries close WEDNESDAY AUGUST 9th**
