## NSA Next Generation – eration giveaway – Summer 2021

### Terms and Conditions

These terms and conditions apply to the giveaway of five Kaiapoi Romney rams to up to five individual young sheep farmers for their own future use.

The rams, of an approximate value of £2000 each, will be gifted to young sheep farmers, who on 1<sup>st</sup> September 2021 are aged 35 and under, with full ownership transferred from Kaiapoi Romneys to the new owners. The recipients of the rams will be selected following an application and interview process, facilitated by NSA. The rams will be given from Kaiapoi Romney to the recipients, not via NSA.

### Terms and conditions

By ticking the box on the application form you agree to the following:

- I am a UK resident with an active role in the UK sheep sector.
- I understand I am applying to receive a ram from Kaiapoi Romneys via a giveaway facilitated by NSA. If I am successful, the ram will be gifted to me by Kaiapoi Romneys (not by NSA).
- If I am one of the successful applicants, I understand the information provided in this application form (and other information I provide e.g. in the selection interview) may be used by NSA, Kaiapoi Romneys, the Frank Parkinson Agricultural Trust and the Farmers Weekly in press and publicity. I agree to take part in associated press and publicity – including follow up interviews for a minimum of 12 months after receiving the ram.
- If I am one of the successful applicants, I agree to receive a Kaiapoi Romney ram as selected by Rob and Jo Hodgkins; no monetary alternative is offered.
- If I am one of the successful applicants, I understand it will be my responsibility to collect the ram(s) from Kaiapoi Romneys (based in Hertfordshire) and safely and legally transport it home/to my flock.
- If I am one of the successful applicants, I understand I will take full ownership and responsibility for the animal upon collection and any future associated costs. I understand the rams are being given in good faith with a basic veterinary check, but without any recourse if problems are identified after ownership has been transferred.
- If I am one of the successful applicants, I agree to use the ram(s) for a minimum of one breeding season and provide feedback as requested to NSA, Kaiapoi Romneys and Farmers Weekly.
